Date and time of audit

Program = official declared program

Catalog year = the catalog requirements you should be following

You can exit and request a new audit.

Categories: click on a category bar to view an individual category.

Open or close all sections on the audit

Units completed, Pie Chart, and GPA Status bar

You can click on the other tabs to view course history or exceptions. See the manual for more information.

Important information is listed at the beginning of an audit, most of which is customized to YOU! The information can change as you progress towards your degree.

Minimum Unit Requirement:
- All students must complete 120 units
- Earned: units you have completed
- In-Progress: units you are currently enrolled in
- Needs: units you need to earn 120

Residency Requirement: 24 of the last 36 units must be completed at UC Merced.

UCM Requirements: This has a green ✓ next to the requirement name. This means that the sub-requirements have been met.
IMPORTANT NOTE:
No two audits will be alike.
Requirements change based on catalog year and the order in which courses are completed could affect the way courses apply towards requirements.

Major Requirements:
These are requirements specific to your major. If you intend to change your major run a what-if audit.

An * is a placeholder wildcard. This particular requirement means that you could take any course in the ANTH 100’s level.

NOT FROM: Even though ANTH 192/199 are in the ANTH 100’s, this indicates it will not count towards this requirement.

You need to complete these courses with a letter grade of C- or better, if you receive a lower grade the sub-requirement will not be met.

This indicates that you can take any class between ANTH 110 and ANTH 129.

An * is a placeholder wildcard. This particular requirement means that you could take any course in the ANTH 100’s level.

This is a list of courses that do not apply towards any requirement or sub-requirement based on your degree program. It could also be because of an unsatisfactory grade.

Additional Coursework:
This is a list of courses that do not apply towards any requirement or sub-requirement based on your degree program. It could also be because of an unsatisfactory grade.

If a course has been repeated, you will see:
• >D indicates a course that has been retaken and the units have been removed.
• >R indicates a course that’s been repeated for credit and appears next to the course that applies towards your degree.
• >X indicates a course that has been retaken and replaced.

This is where you will find the courses that do not count towards your degree and cannot count. Course withdrawals and repeats will most likely be found here.
