An I grade may be assigned when the instructor determines that a student's work is of passing quality and represents a significant portion of the requirements for a final grade, but is incomplete for a good cause. This form must be returned to the Students First Center prior to the first day of instruction of the next semester. If this form is not received with all appropriate signatures before the first day of instruction of the next semester, then the I grade will revert to an F, NP, or U. An I grade received in the fall term must be replaced by the first day of instruction in the following fall term. An I grade received in the spring or summer terms must be replaced by the first day of instruction in the following spring term. The grade will retroactively be counted in computing a student's grade point average.

Candidates for Graduation: Outstanding incomplete grades must be completed in the term you apply for on your declaration of candidacy. If not complete, it may prevent or delay degree conferral. You must apply to graduate in the term in which you complete all degree requirements and complete all incomplete coursework.
